Our programmes

ACCA Online

The world's most trusted accounting qualification, now available anytime, anywhere. Offering practical training backed by PwC's training expertise and strong pass rates, this on-demand programme provides you with internationally recognised, career-focused development.

CFA Online

The world's most respected finance qualification, now available anytime, anywhere. Offering comprehensive, practice-focused learning backed by PwC's training expertise and high standards of delivery, this on-demand programme provides you with internationally recognised, career-advancing development.

More qualifications coming soon

Your Learning Space is expanding its offerings to meet changing industry needs and learner demands. We're launching more globally recognised programmes soon, giving you even more opportunities to upskill, get certified, and stay ahead.

How will you study?

Experience a smarter, seamless way to study with **PwC Academy's custom-built Learning Management System (LMS)** designed specifically to deliver real impact through digital learning.

With just **one click** step into a world-class virtual learning space that brings structured, expert-led education to your fingertips.

Learn anytime, anywhere

Access your courses on any device; mobile, tablet, or laptop. Study at your pace, wherever you are with 24/7 access

Track your progress

Your personal dashboard helps you stay on track. Monitor your course completion, quiz scores, and achievements in real time

Practice, learn, repeat

Test your knowledge with interactive quizzes, flashcards, and full mock exams that simulate the real exam

Support that fits your schedule

Get guidance from expert trainers through messaging, Q&A forums, or optional live sessions; all within the platform

PwC Academy
