

FTA Tax Agent Exam

Student Guide

Welcome to the Federal Tax Authority (FTA) Tax Agent Exam (TAE). This exam is based on the GCC VAT Compliance Diploma (VCD) and the process you will need to follow to register and take the exams is the same as the VCD.

Before registering for the UAE TAE with PwC's Academy (<https://www.pwccademy-me.com/course/fta-tax-agent-exam>), please ensure that you first review the requirements for UAE tax agents at <https://www.tax.gov.ae/requirement-tax-agent.aspx> and receive a 'pre-approval' after completing the tax agent registration form.

Once the pre-approval has been received, you will need to complete the following steps in order to be eligible to take your exams (one exam for each of the 4 modules and a Final Certificate Exam) and obtain your GCC VAT Compliance Diploma certificate. Please note that it can take 5 working days after enrollment at PwC before you gain access to the Tolley Online Exam Center.
