Getting qualified

The FIA, awarded by the Association of Chartered Certified Accountants (ACCA) is a highly regarded and recognised introductory qualification for anyone seeking a career in accountancy and finance.

- 3 papers – Accountant in Business (AB), Management Accounting (MA), Financial Accounting (FA)
- Computer based exams that can be taken throughout the year
- Pass mark: 50%
- Exams are a mix of Multiple choice questions (MCQs) and Objective Test Questions (OTs)

Who should attend?

This course is for school leavers, or those with no formal accountancy training. It will also benefit young university and graduates who want to enhance their knowledge in finance.

Why study FIA with PwC's Academy?

- PwC's Academy is a Platinum Approved Learning Provider of ACCA
- Wide range of ACCA practice tests to get you exam ready
- Memory techniques, one to one counselling sessions, exam confidence for the added advantage

About PwC's Academy

PwC's Academy is the education and training business of PwC. Our training programmes build on the experience of having solved important problems in the Middle East for over forty years.

Our world class trainers bring the collective knowledge of dedicated Academy staff and commercial expertise from the PwC global network to deliver training solutions with an immediate impact. We blend technical knowledge with behavioural competencies to build on what people know, how they think and what they can do.

This is what it means to be **'Trained by PwC'**.

What after FIA?

BSc in Applied Accounting

The FIA Diploma is a natural entry route into further accountancy qualifications such as ACCA Advanced Diploma and the full ACCA qualification.

ACCA and Oxford Brookes University have worked together to develop a BSc (Hons) Degree in Applied Accounting, which is available exclusively to ACCA students who wish to obtain a degree while studying towards the ACCA qualification.

PwC's Academy provides mentoring sessions throughout the ACCA programme for students who wish to pursue the degree.

To get the degree, students must:

- Pass all fundamental levels
- Submit a 7500 word research project
- Submit a 2000 word personal statement
